

## OLYMPIC SOLIDARITY 2021-2024 PLAN

In line with the IOC's own strategy for 2021-2024, it is intended to further develop the NOC opportunity offer and **place Olympic Solidarity as the main reference of the Olympic Movement for the development of sport**. In this respect, all programmes have been reviewed and the internal delivery structure of Olympic Solidarity has been enhanced to provide optimal support to NOCs in their development activities from grass roots to elite level and beyond.

As a result, during the Olympic Solidarity 2021-2024 Plan, the focus will be set on the following **strategic objectives**:

- Empower NOCs to keep athletes at the heart of the Olympic Movement
- Ensure good governance, financial control and compliance
- Strengthen the Olympic Movement's solidarity funding model
- Align with the IOC's strategy for the post-coronavirus world
- Enable NOCs to contribute to the promotion of the Olympic Values
- Provide individualised services to NOCs
- Measure the real impact of the Olympic Solidarity programmes and funding on the worldwide development of sport

To emphasise Olympic Solidarity priorities and to better demonstrate the **World Programmes** alignment with the IOC strategy, the programmes have been divided into:
